

I was sorry  
to hear that Cousin  
I think had passed away.  
I wish to be remembered  
to all the family

My Dear Brother: you meet, I am  
J. G. G.

9/8/55

I received your very  
welcome <sup>letter</sup> in due time.

I was very pleased to hear all  
the news from you. I can  
tell you, it brought back old  
times to me. I am sorry I can  
not tell you much news. Jack, from  
here, as you don't know the People  
& the place I am living, I would  
be very pleased to meet you again  
Jack, & have a good old talk with  
you. Do you ever think of coming  
to Luccesland, I sent you a wire  
straight away when I received the  
money. Hope you received same.  
I am enclosing receipt, trusting I  
have not kept you waiting, so long.  
I have felt off color of late, & the  
weather has been very cold. I am  
not much at writing letters any time.  
My Wife does nearly all the writing for me.  
I suppose you will say I am lucky,

Well Jack I think I will make this do this time & if  
we win the basket first we will go down & see you.  
I know it is better from all this.
